

# Descriptive Analysis Team 6

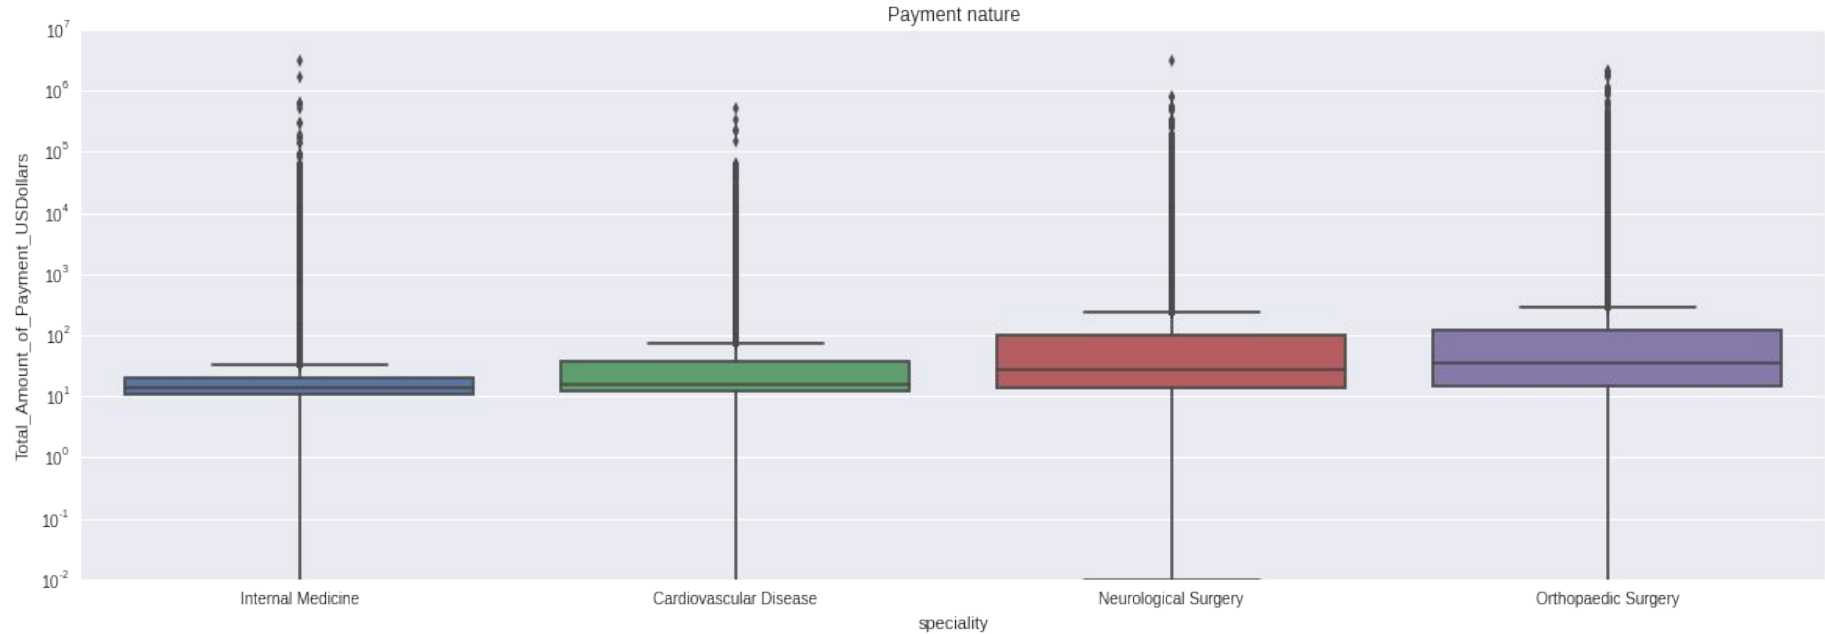

Get better with data @ Insight  
November 2015

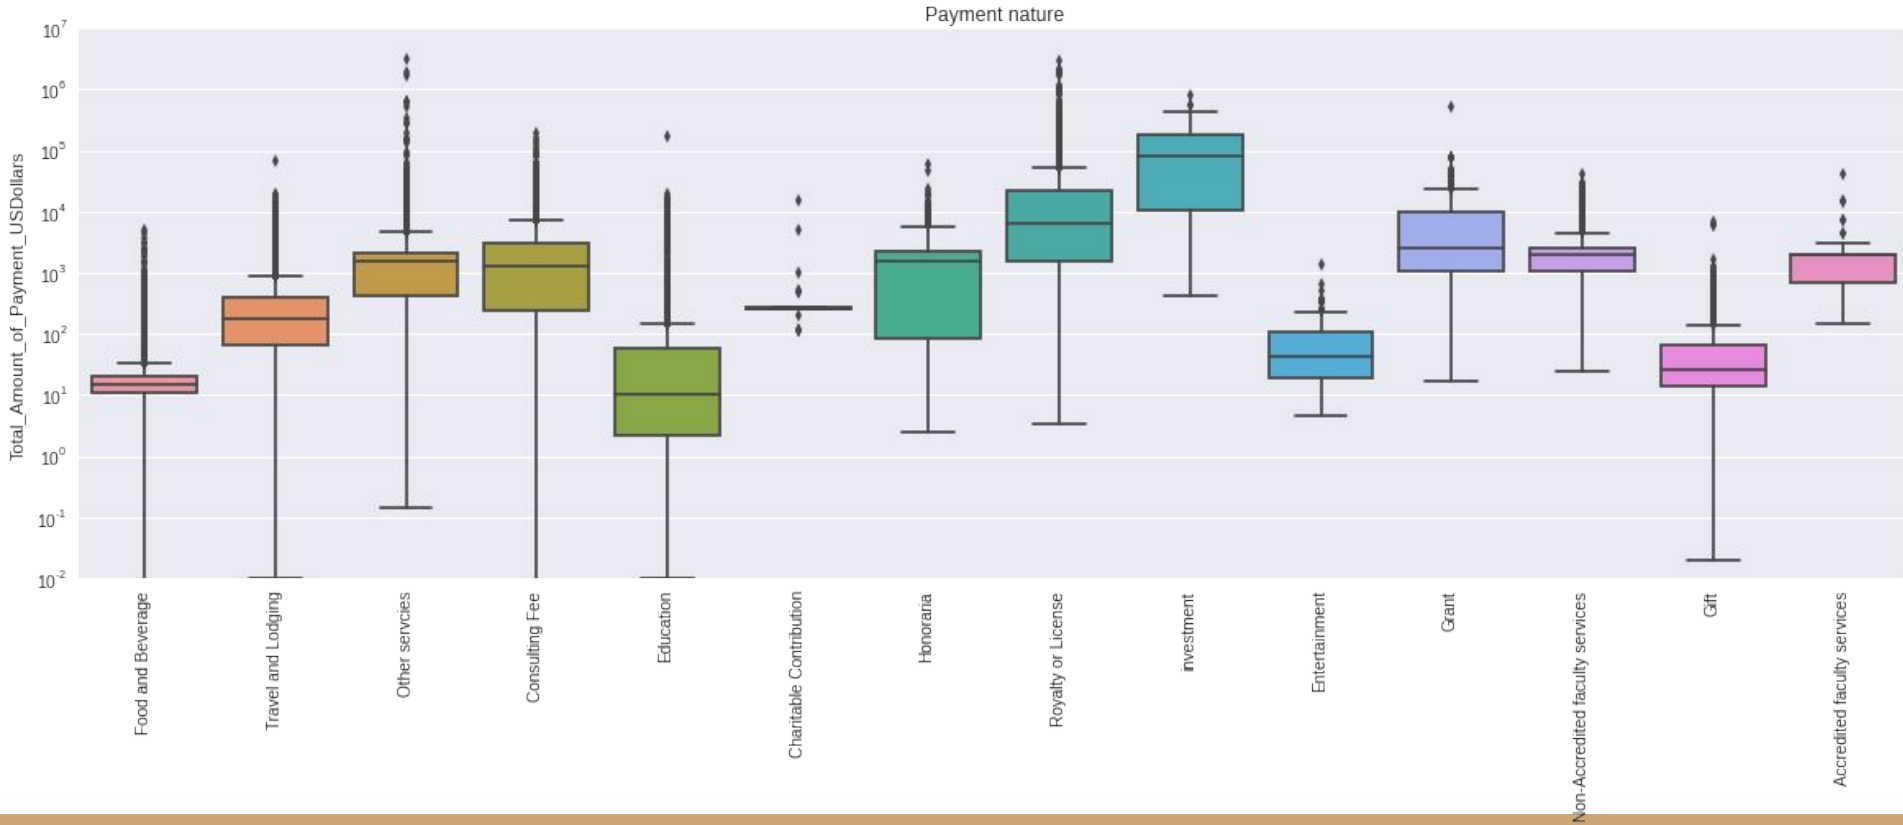

# Overview

- We looked at CMS Open Payment dataset.
- Which physician specialties received the most payments across the country?
- What is the nature of payments to these top 4 specialties?
- Which sectors do these top specialties mostly invest in?
- From which parts of the country do these specialties have reported the most?
- How to interpret our data!
- This data is self reported!

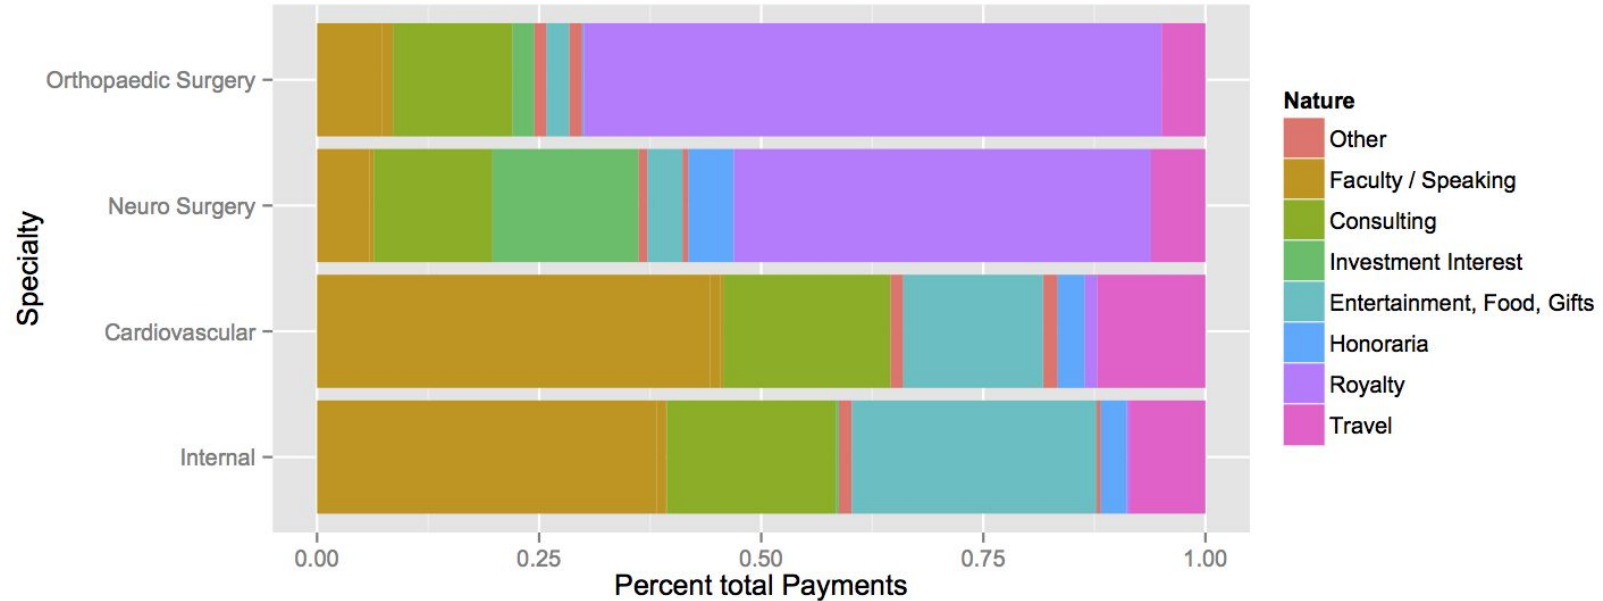

# Top four specialties received the most payments

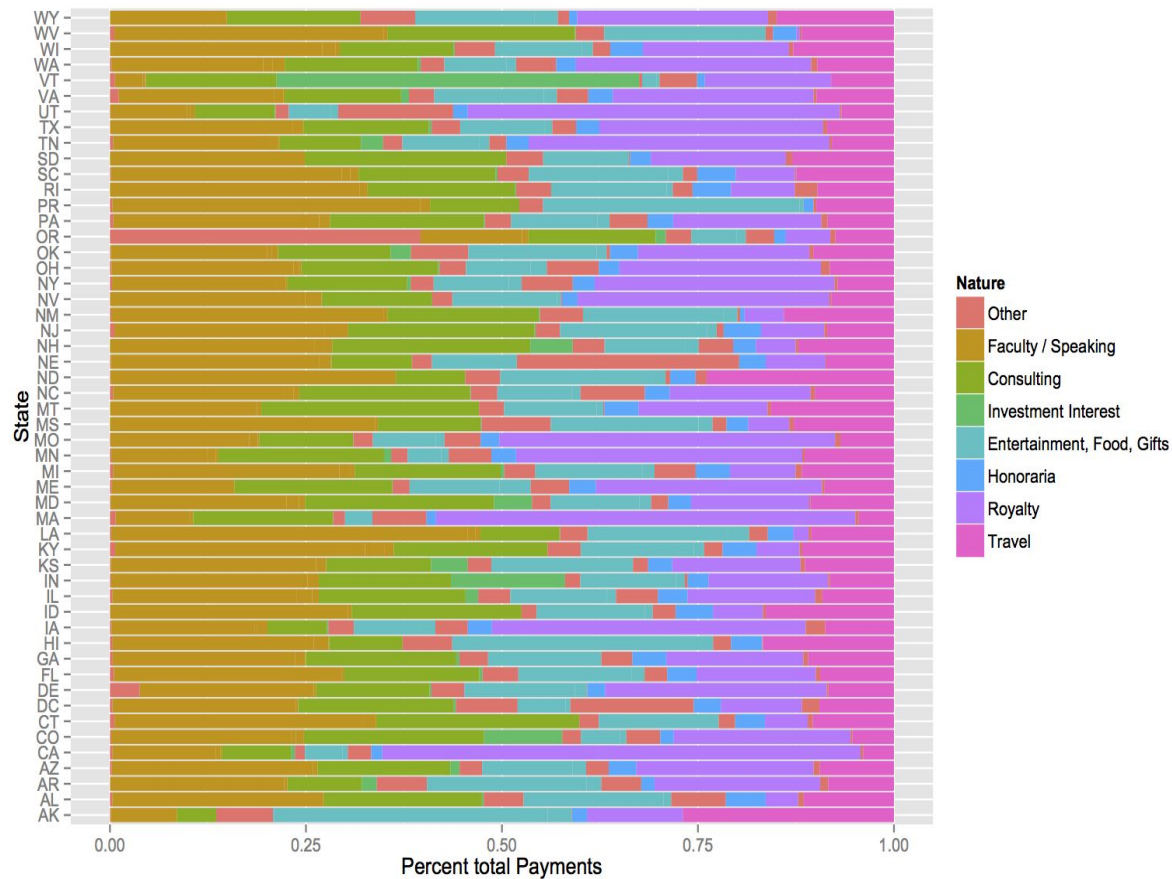

# Payment to top 4 specialties

# Payment per Specialty

# Payments by State

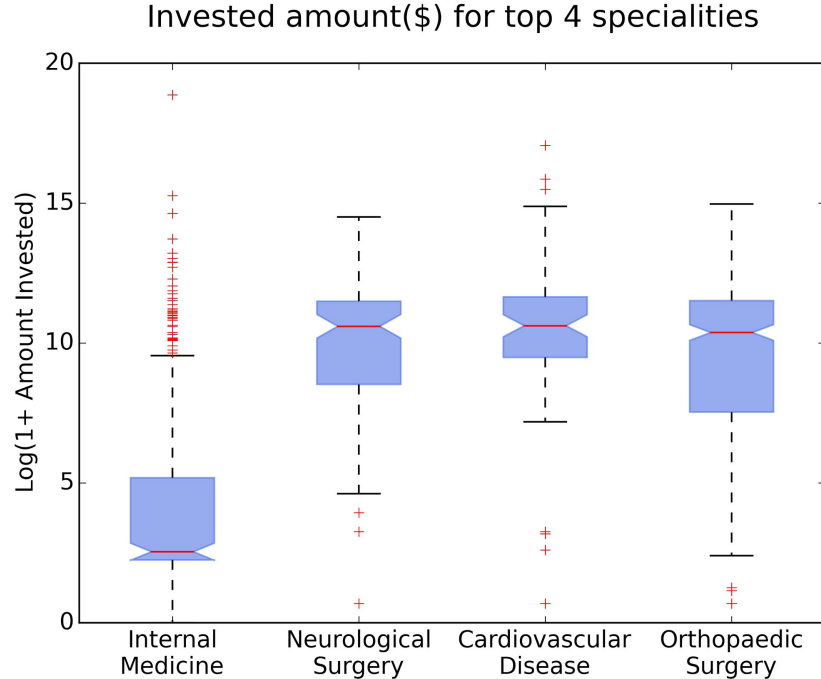

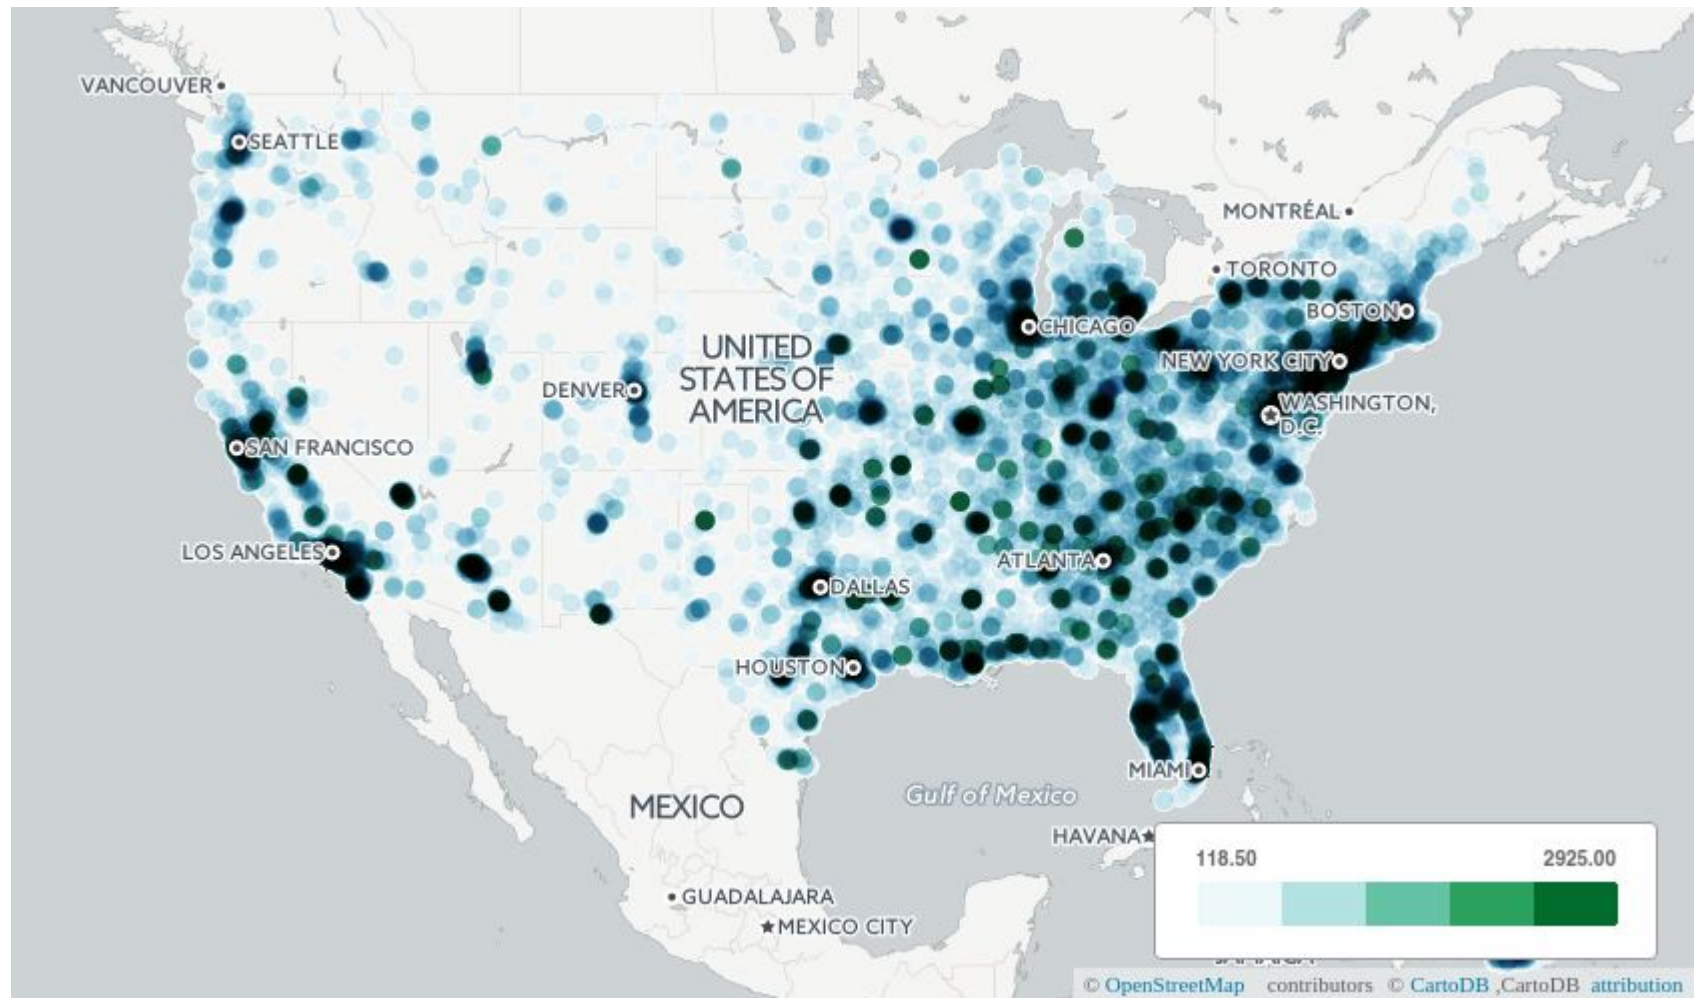

# Invested amount of money for top 4 specialities
